

3rd ELA/Science Integration

Artist	Project Idea	Curriculum Connection
Addie Boswell — Marine Debris Art	Create art from recovered materials showing human impacts on habitats.	ELA U6 + Science 3.4 — Habitats & human impact
Allison Trundle — Bookmaking	Make illustrated plant and animal adaptation field guides.	ELA U6 + Science 3.3/3.4 — Adaptations & traits
Amy Broomhall — Theatre/Audio	Record a mock weather forecast or severe-weather report.	ELA U3 + Science 3.2 — Weather & forecasting
Barbara Gustafson — Weaving	Create woven pieces inspired by patterns in music and art.	ELA U7 — Music, visual art & culture
Brian Fisher — Printmaking	Create prints showing plant traits and adaptations.	ELA U6 + Science 3.2/3.4 — Plants & traits
Bruce Morser — Drawing/Murals	Create a collaborative weather and storm mural.	ELA U3 + Science 3.2 — Weather & hazards
Gabriel Dawson — Musical Theatre	Turn a traditional story into a short musical performance.	ELA U4 — Traditional stories & storytelling
Maggie Tomberlin — Fiber Arts	Create fiber art inspired by patterns in nature.	ELA U6/U7 — Nature, pattern & art
Martha Enson — Puppetry/Theatre	Create puppets and perform a traditional story or myth.	ELA U4 — Myths, fables & traditional stories
Martha Enson — Puppetry/Theatre	Create a puppet performance about animal adaptations.	ELA U6 + Science 3.3/3.4 — Animals & adaptations
Mik Kuhlman — Physical Theatre	Explore force and motion through body movement.	ELA U9 + Science 3.1 — Forces & motion
Mik Kuhlman — Physical Theatre	Use movement to portray animal behaviors and adaptations.	ELA U6 + Science 3.3/3.4 — Behavior & survival
Miya Sukune — Comics/Illustration	Create a comic showing preparation for severe weather.	ELA U3 + Science 3.2 — Weather hazards
Miya Sukune — Comics/Illustration	Illustrate an animal's traits, behaviors, and environment.	ELA U6 + Science 3.3/3.4 — Traits & habitats
Monica Wilson — Natural Dyeing	Create plant-based colors and patterns on fiber.	ELA U6/U7 + Science 3.2 — Plants & visual art
Odin Lonning — Tlingit Art	Explore how visual art carries stories and cultural knowledge.	ELA U4/U5 — Traditional stories, culture & perspective
Ray Pfortner — Photography	Photograph evidence of weather and seasonal conditions.	ELA U3 + Science 3.2 — Weather observation
Ray Pfortner — Photography	Photograph local organisms and their habitats.	ELA U6 + Science 3.4 — Organisms & habitats
Stephanie Marotta — Ceramics	Create balanced clay forms and sculptures.	Science 3.1 — Balance & design
Tavi Black — Creative Writing	Write an original myth explaining a natural phenomenon.	ELA U4 — Myths & traditional stories
Tavi Black — Creative Writing	Write poems inspired by music, sound, and emotion.	ELA U7 — Music & poetry
